SHOP TALK

Have you checked out the newly air conditioned Shop – the coolest place in Horsley to chill out!

New Products

Summer's here, so call in for ice lollies, locally produced BBQ charcoal, firelighters, cold drinks and a range of Winstone's ice creams. Hobbs House burger buns or hot dogs rolls, plus Horsley sausages can be ordered, to make your BBQ extra special!

We are now a collection point for the **Food Bank**. The list of items they would like is on the wall above the donations box.

Volunteer News

Are you new to the village?? Volunteering at the Shop, is a great way to get to know your neighbours. Flexible hours and many roles available, not just serving on the till. Call in and speak to Jo, Shop Manager, for more details.

Nupend Farm Housing Estate? Act now please!

We now have until 10th July to lodge our objections/comments etc to the building of a large housing estate on the western end of Horsley, outside the village envelope, in an AONB, creating even more traffic, and skewing the social fabric of the village. Look at <http://www.stroud.gov.uk> and type 1191 in to the planning applications search screen. Let's show the Planning department that Horsley is a force to be reckoned with!

If you would like to be kept up to date with this issue please email: horsley.neighbour@btinternet.com, giving your name and post code, and we will send out occasional enewsletters as things happen.

Having begun the creation of a **Neighbourhood Plan for Horsley** in the Spring, the Parish Council is now forging ahead with that process, to protect the village from this and future opportunistic developments. Please do contact them if you're able to help.

Horsley Youth Club Committee & Treasurer needed

We have a very strong and successful Youth Club where secondary school aged children can meet in a safe environment. This club is particularly important in our community, where there are several choices of secondary education, and children go off to lots of different schools at 11.

However, we are desperately short of committee members to keep it running. If you have a spare moment please could you help? We especially need a Treasurer. This entails bringing and collecting the cash box to and from the club on a Wednesday evening,

recording the takings, and occasionally banking a little cash and signing cheques.

Horsley Youth Club committee is mainly parents whose children attend the club, but all assistance would be gratefully received.

We meet ONLY 3 times a year to discuss management of the club, fund raising etc, and usually run just 3 fund raising events a year. This is NOT a huge time commitment but the support provided is essential to the running of the club. We have to have a constituted committee to be able to apply for our funding.

Please let me know if you are able to help.

SAINT MARTIN'S

Curate's Letter

Summer is now in full swing. The cotoneaster trees in my garden are in flower and the bees are so busy collecting the pollen from them that the air is full of buzzing. We live in such a beautiful green and vibrant part of the countryside, something the recent Nailsworth walking festival encouraged us to step out to enjoy and celebrate. There are lots of wonderful lanes to explore around Horsley, and even if you can't walk very far along the lane, there is always a gate to lean on whilst you gaze out across the view.

Jesus often referred to himself as the bread of life because his words are nourishment to our bodies. It is so easy to carry on and not to notice you are running

on empty that you don't have the strength even for one more day let alone the rest of the month. So it's time to refuel before everything grinds to a halt! Take time outside to find sustenance. When you look around the countryside, God can be found in the many ordinary things, in the miracles of daily life which can be so easily be taken for granted. If we stop and take what Jesus has to offer us, we will be given the fuel that will propel us on our journey along life's lanes to the very end.

Every blessing

Sue Sobczak

Letter from the NEW vicar

You may now have heard the formal announcement of your new vicar and will be wondering just what you are getting...

My wife Sam and I are currently living and working in Puerto de la Cruz, Tenerife where we have been for four years. Prior to that, I was the Vicar of Great & Little Driffield in York Diocese – a market town of some 12,500 people with satellite villages. I was also Rural Dean of the Harthill Deanery on the Yorkshire Wolds – a grouping of 28 parishes, many in remote parts of the Wolds. I worked in York Diocese for many years in rural parishes, after serving my title in Wallasey in Cheshire, having been ordained priest in 1991. Prior to that, before college, I was a partner in an advertising and design consultancy in Glasgow.

Between us Sam and I have seven grown-up children ranging from 21 to 30 years old and I have grey hair as a result!

My main extra-curricular activities (apart, of course, from keeping my wife happy) are music (I play guitar, piano and keyboard and like to sing) and sport – I am a life-long Manchester United fan for which I make no apology and I look forward to seeing some Premiership Rugby at Gloucester and savouring the delights of the Conference with Forest Green Rovers.

I (or rather we) have always enjoyed living and working in a rural setting. Part of that enjoyment has been the opportunity to get closely involved in the life of the whole community and to see the churches making a difference to the life of the community.

So, I am very much looking forward to working in partnership with your three churches to do just that – reach out more into the communities that make up the parishes and try to bring more people into an understanding of God's love for them.

With every blessing, Revd. Mike Smith

... The New Vicar

We are pleased to announce that Rev. Mike Smith will be our Vicar from September, subject to the Diocesan Advisory Board checks.

His induction service will be on Sunday 4th September at 3.00pm and will be conducted by the Bishop of Gloucester, in St George's Church, Nailsworth (the day after Horsley

fete - perhaps they'll come to that too?).

He and his wife will be living in temporary accommodation in Forest Green until the completion of the new Vicarage in Nailsworth, which should be next January.

Do you have a head for figures?

Simon Read, the PCC Treasurer will retire at the end of 2014. The PCC needs to have a new Treasurer in place well before the end of the year.

It is not a demanding role, it just involves recording financial transactions and presentation of Receipts & Payments Accounts. Simon has simplified the systems, and will be around to support the new treasurer until they're confident to carry on.

Please do call him on 833554 if you could help.

News from Horsley School

For a whole week in May the children at Horsley Primary took part in 'Healthy Living Week'. All children were encouraged to walk or cycle to school and parents were asked to provide their children with especially healthy lunchboxes. Badgers class (years 1 & 2) brought in exotic fruits and

enjoyed using them to design and make beautiful bugs from the array of colourful shapes and

textures. Everyone learned about the importance of drinking plenty of water and taking regular exercise and this was put into practise with daily exercise sessions in each class. Eight of our junior children

represented the school at the Mini Red Tennis Festival held at Chalford Tennis Club and everyone took part in inter-class team competitions which included rounders for the juniors and End Zone and other games for the infants. We listened to talks from representatives of local clubs and teachers about their sporting interests, including netball, cycling, riding and mountain walking. Children also looked at alternatives to screen based activities and were asked "What else can we find to do?". The

week culminated in a sponsored skip which raised more than £223.00 for the British Heart Foundation.

More recently our infant children took part in Cluster Sports days held at Brimscombe and Thrupp Primary schools. This involved competing in a variety of field based races with children from all the schools in our cluster.

The Year 5 children from Owls class were treated to a Design Technology morning at Sir William Romney's School in Tetbury. They were asked to design and make something that could hold their homework sheets – so no more excuses for lost homework! They all worked independently with a little help and plenty of supervision. The children enjoyed using the equipment, including drills, belt sanders, coping saws and hot glue guns.

For the past few weeks children have been collecting plastic

milk and juice bottle tops as part of their Team Points Challenge in aid of Guide Dogs for the Blind. The final total was in excess of 10,000 and saw the Yellow Team win by just 47 tops!

Last weekend Owls class (year 5 & 6 children) went on the annual residential to Kilve Court activity centre in Somerset. Departing from school on Friday morning they stayed two nights and had a fantastic time participating in all manner of activities including mountain biking, climbing, shelter building and stream and beach walks. This was a wonderful opportunity for the children to relax with each other away from the classroom, especially for the year 6's who will soon be leaving Horsley and going to on different secondary schools in the area.

A Grunt from The Hog

Greg and I have been so touched by the support from everyone and want

to thank you all. It has been amazing to see so many people supporting us. We are getting to know you slowly! Since we opened it has been a roller coaster of hiring and training staff, juggling suppliers, getting to grips with ordering the right amount of food and drink, because we were so unsure of numbers, lots of cooking and serving, and things seem to be at last settling down now into a good rhythm. We have been happy to welcome any groups to meet regularly in the pub, do give us a ring if you'd like to book for this. If you have any requirements please let us know. We have responded to re-

quests for stocking certain favourite items on the bar and are changing our menu according to feedback too. We thought that one customer was spot on when she said 'your food is just the sort of food you want when you've just come back from holiday, to remember the flavours you tasted while you were there!' We are very excited that our new chef starts in a month, and he has amazed us with his menu. It is similar in ethos to our own ideas, but offers something nowhere else in the Stroud valleys does, with plenty of vegetarian options too.

We hope you continue to enjoy coming here. Thank you, Caroline Saturley

Some people are concerned about bonfires. Here is what Stroud District Council recommends: There are no specific times of the day when bonfires may or may not be lit. The law says that no one may have a bonfire if the smoke from it will cause a nuisance to other people. Under the Environmental Protection Act 1990 the Council has the power to serve Abatement Notices on people who allow their bonfires to cause a regular smoke nuisance.

For example:

- How often a particular neighbour lights bonfires,
- Whether or not the smoke is drifting into neighbouring properties or gardens,
- The time of day / night,
- The nature of the area (i.e. heavily built up, or rural and sparsely populated),
- The weather at the time of the fire, i.e. are neighbours trying to enjoy their gardens on a sunny day? Is washing hanging out to dry? Is the wind direction suitable?
- The type of smoke. Dark smoke (i.e. from burning tyres, plastics, roof felt etc). will almost inevitably amount to a nuisance because it contains chemicals that are prejudicial to health and has a very acrid odour.

If you are troubled by persistent bonfire smoke you can do a number of things;

1. Approach your neighbour and explain the problem. Most people will then be more considerate in the future.
2. If the problem continues keep a note of the dates and times of the bonfires and contact the Environmental Protection Team, Stroud District Council, Ebley Mill, Stroud, Glos, GL5 4UB, Tel: 01453 754478 or email your enquiry to environmental.health@stroud.gov.uk. They will follow up your complaint confidentially, although they may need you to give evidence if they prosecute. The initial approach will usually be an informal letter, giving advice about better ways of disposing of the rubbish and explaining about the problems from bonfires. If this is not successful, and the bonfires continue, the investigating officer will decide if the fires are causing a statutory nuisance, if so they will take further action under the Environmental Protection Act 1990.
3. You could also take your own private-action using the Environmental Protection Act 1990. Contact the Clerk of the Magistrates' Court directly for details about how to proceed.
4. Contact the police if smoke from a bonfire close to a road causes a traffic hazard.

More information about garden bonfires can be found from the Environmental Protection UK website; www.environmental-protection.org.uk.

Should you wish to contact me please do so on 07810 630 145: Sue Colquhoun.

Grand Village Fete

Preparations are well under way for this annual Horsley extravaganza on Saturday September 13th.

We are looking forward to another hilarious Dog Show, plenty of refreshments, stalls and entertainment. If you can help please contact Stan on 832952.

It's time to start to gather items for the stalls, especially plants, train up your pooches, and water those vegetables ready to enter some of the wonderful array of classes in the Produce Show—see the entry forms in the middle of THIS magazine.

HORSLEY CRAFT & PRODUCE SHOW 2014

St Martin's Church, Horsley - Saturday 13th September

Full details and downloadable forms also available at www.horsleyfete.co.uk

After such a wonderful response to last year's show, we are very excited to see what entries we will receive this year and hope that we can, once again, bring all of our local communities together for a bit of fun, creativity and gentle competition.

The competition is open to anyone who has a connection to Horsley, whether you are a resident, belong to one of the local groups or simply frequent the park or use the village route as part of your journey.

We hope that you will join in the fun and support the event again this year, as a vibrant part of the Village Fete.

The Friends of Horsley School would like to thank the community for all their support, including Horsley Community Shop, everyone who bought raffle tickets, those who made donations and everyone who attended. It was a wonderful evening which raised £2,200 which is being increased to £3,200 by FHS's charity sponsor Barclays. The money is going towards the school play area and resurfacing Log World.

EXHIBITIONS

From Sat 12 July **Ruskin Mill College Student End of Year exhibition**

The Ruskin Mill College summer exhibition represents and celebrates every student who has attended the College in the previous academic year. The student journey during their time at college offers a wealth of opportunities, reflected in the richly packed displays of craft, art and culture offered here.

MUSIC

Fri 25 July 8pm **English Acoustic Collective Summer School Concert** £ Free

This unique annual musical summer school was established by folk legend Chris Wood 15 years ago, and is now led by Rob Harbron and Miranda Rutter. You are warmly invited to hear some of this summer's work in progress at the informal concert which is the traditional finale to the week long gathering of musicians — no booking required. Please note this event takes place at Horsley Mill Canteen.

Our programme for Autumn 2014 will be available to view online on our website from August, with printed copies of the Events Guide available at Ruskin Mill. Please call or email us if you would like to be added to our mailing list.
