SHOPTALK

Forthcoming Events: Horsley Produce & Craft Show entry forms can be found in the centre of the June issue of the HM. Return your completed entry forms to the Shop. Entry fees to be paid on Show day.

Delivery Service: Do you have items that you buy very regularly? Do you want to support the shop, but struggle to get to us? Then why not consider having a weekly delivery? Delivered on a Wednesday evening, anything that is available in the shop can be included. The system is very flexible. You can set up a regular list of goods and then adapt it each week, to suit your needs at the time or just contact the shop, by Wednesday morning, to place your order.

Special Orders: Please get in touch if you want to order bulk amounts of a product or if you would like something we don't stock. We will get it for you if we can. We have a delivery from Hobbs House Bakery every weekday morning, so if there is a particular type of loaf you prefer, let us know and we can order it in for you. Large quantities of Horsley sausages can also be ordered, so if you're having a BBQ over the summer, let us supply the bangers!

Special Offers: Any products with a blue shelf edge label are on special offer, so look out for them, the next time you're in the shop.

Ruskin Mill: We now stock Smoked trout, filleted and vacuum-packed, and Smoked bacon.

Frocester Fayre: We are currently looking at the possibility of stocking pies and frozen ready meals from Frocester Fayre. Meat boxes, on an order basis only, may be available too.

Volunteer News:

Café Manager: We are looking for someone, or a small group of people, to develop and manage our café facilities. If you would like more details, please contact Jo in the shop.

Local Delivery Drivers Wanted: We have a small, but merry band of volunteers, who do our Wednesday evening deliveries around the village. Do you fancy joining them? You don't need a huge car and the deliveries take about half an hour. Contact Jo in the shop for more details.

Horsley Youth Club - New Treasurer Needed. (a clarion call from Pete King and the Youth Club)

After 3 years as treasurer I am standing down at the end of July 2013. It has been good fun being involved in the activities such as the raft race, the jumble sales and popping along to youth club from time to time, but new pastures are drawing me in and the Youth Club needs a new treasurer.

What's involved:

- Counting up the cash each week, and preparing float for following week
- Paying helpers, village shop, insurance costs, Youth Club Leader

- Liaising with Sian Freer (Youth Club leader) and the committee
- Paying cash into bank

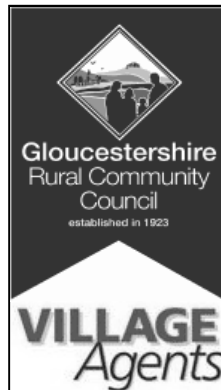

How much time is involved - Usually about 40 minutes each week.

What technology - A PC that can run spreadsheets and Word.

Any training - Pete will show you the simple spreadsheets that he uses and will be prepared to sit down and take the new treasurer through his methods. He will also be happy to be on call if need be.

If you are interested in taking on this rewarding role please contact either Pete on 836697 or Sian on 839014.

We look forward to hearing from you.

Horsley Village Agent

Please be extra vigilant with locking up your house, sheds and garages. It is so easy to leave a window open or a door closed but not locked, giving the opportunist thief a chance to ruin your day or worse. Also, it is particularly important to take extra care whilst on holiday, where thieves often target holiday makers. Cars with belongings left in them are very vulnerable, particularly hired cars and those with foreign number plates, as it takes no time at all for experienced burglars to get into a vehicle and remove whatever they find. Never leave money, credit cards, passports or insurance documents unattended and if you have a camera filled with fond memories, keep it with you, but out of sight (when possible). It is always advisable to keep photocopies of essential documents in a separate place.

If you have any issues that you would like to discuss or would like an informal chat please contact me, Sue Colquhoun, 07810 630 145. Village and Community Agent are here to provide older people with easier access to information and services.

Friends of Horsley School

Thank you to everyone who made this year's school fete a really enjoyable evening out.

Thankfully we were lucky with the weather and there was a fantastic atmosphere as everyone kicked back, relaxed and enjoyed another brilliant Horsley evening of homemade food, drink and great company. The weather also brought out lots of people who aren't currently linked to the school, so thank you very much for your support, it is gratefully appreciated and we hope you'll keep coming in future years.

I would like also to thank these generous local businesses who donated prizes for our raffle: Baobab Maintenance & Domestic Electrics,

Coco, Margaret Docherty Textiles, Stuart Dunn fitness instructor, Claire Herrington Textiles, Number 28 Cafe in Nailsworth, Stroud Brewery, Tipputs, and The Yellow Lighted Bookshop.

At the time of writing this, we haven't yet counted up the pennies, but I'm sure we will have made a decent profit. The proceeds are going towards the school library project. We are just finalising the details on new lighting, bespoke shelving and colour scheme, which we hope to finish by the end of term. Then we can start to fill it with all sorts of great things that will really enthuse the children and hopefully get even the most reluctant of readers to read for pleasure (even if they don't realise they are doing it!).

SAINT MARTIN'S

The Vicar's Letter

"All the Believers met together in the temple everyday....devoted themselves to the Apostles teaching and to prayer... and shared everything... and enjoyed the favour of all the people. (And the Lord added to their number daily those who were being saved"!!) Acts Chapter 2 verses 42-47.

The exclamation marks are mine. This passage comes just after we are told that "about three thousand were added to their number that day". How exciting it must have been to be "a believer" when the Church began. This passage comes at the beginning of the book of Acts after the Ascension and Pentecost and details the growth of the early church. Later in the Book we read "The disciples were called Christians first at Antioch" Ch. 11 verse 26. It was exciting, but dangerous as well as the early Christians were persecuted, thrown into prison, later thrown to the lions - so not a bed of roses.

They grew in number because they knew that all they heard about Jesus was true and once they believed and understood they just had to go and tell the "good news" to every other person they met. It is now estimated that there are over half a billion practicing Christians in the world and, sadly, in many countries, Christians are increasingly persecuted. We live in a country of religious tolerance to the point that it undermines our established religion in favour of minority groups. In our efforts to become inclusive of all we are in danger of eroding the faith structure this country was built upon - to its, and our, detriment.

So what did the early Christians do that caused the Church to grow so rapidly? United Christian Broadcaster's daily readings recently had four days' teaching under the heading "Getting Serious about God" when they pinpointed how they were different.

1. "The things of God were not a part-time interest or a convenience based commitment to those early Christians but their highest priority" - they wanted to meet everyday and take God seriously. To do so required regular involvement with other Christians, experiencing the unique aspect of His presence, hearing his word together, and encouraging one another.

2. "They took fellowship seriously" - those early disciples valued their relationship. It went beyond singing hymns and hearing sermons So they "met together... shared everything they had....sold their property and possessions and shared the money with those in need." The UCB reading asks "How many of them shared everything they had? All the believers. How much did they share? Everything they had.

3. "They took prayer seriously" - they devoted themselves to prayer. They bequeathed us the empowering biblical principle that nothing important and lasting happens without prayer. It was the foundation upon which everything else happened.

4. "They took God's word seriously" - they spent time learning (studying to understand and master) the Apostles' teaching - and they took "worship and praise seriously".

I have left copies of the four readings in each of our churches. Please take a copy, and read it carefully and prayerfully - and see what God would have you do?!

*With Love,
Stephen*

CHURCH NEWS

Rising Stars Concert at the 3 in 1 Friday 19th July at 7pm

This event is the rescheduled concert that was snowed off in January.

The performers are all school age children (from 9 years old upwards) who have already achieved remarkable expertise on their chosen instruments. Several have successfully competed in the Young Musician of the Year contest. If you have children learning an instrument why not bring them along to be inspired, or just come yourself for an evening of beautiful music.

Alpha Course

A few people would like to do an Alpha course, which explores Christianity in an informal setting, including a meal over about 10 weeks. Anyone is welcome, whether you have attended church for years or never been to Church.

If you would like to take part in an Alpha course please email me on sue@nworth.co.uk or ring me on 01453 835693. When we know who is interested we will try and find a time and place which suits everyone.

Sue White.

Local Food Producers

This year the Village Fete will include a stall to show off local food producers. At the stall we will actually cook simple dishes made from local food so people can taste the food and be inspired to purchase it. This stall will be run in conjunction with Horsley Community Shop which sell products from local food producers. If you are a local food producer and would like to be involved in this stall please contact Jo Lawson at the Shop horsleyshop@btconnect.com tel 01453 836602 or Simon Allen simonallen99@gmail.com tel 01453 832165.

Transition Stroud:

Stroud, Nailsworth and Horsley 13th & 14th July

Shoppers have already been hit with jumps in the price of many key food items, and with the impact of the economy it has never been a better time to grow your own food. With this Edible Open Gardens project we hope to all learn, but also inspire more local food production at a lower environmental cost than the supermarkets. The weekend will be a very fine weekend (hopefully!)for wandering around gardens, orchards and allotments sharing ideas and learning about growing our own food. Two gardens will be open in Horsley, Sugley Farm and Hollingham House, from 11am – 5pm on both Saturday 13th and Sunday 14th, with tea and cakes available at Sugley Farm.

Come outside – Horsley Village Hall

As many of you may have seen the village hall has undergone some changes; these fantastic improvements have been made possible by the Big Lottery Fund. These improvements include the two sets of double glazed doors with safety glass, and the galvanised fence. We will be adding an outside light, relocating the outside tap and radiators and probably blinds inside to finish off the project.

We are sure you will agree that these improvements have really lived up to the project's name, and the beautiful view of the outside can now be very much appreciated from the inside. The additional improvement of the fence also creates a friendly area to be enjoyed by all ages.

We hope that these will be well used and loved and to celebrate the work, the village hall committee in conjunction with the playgroup are having a tea, cake & ice-cream afternoon which will help raise funds to finish off the project.

30 Mile Sponsored Hike for Harry Ash Appeal

Tom Pillow, Jessie Hale and Joe Freer have recently completed a sponsored 30 mile hike in the Black Mountains to raise money to buy Harry Ash a sports prosthetic. We got up at about half past five and were looking up at the Welsh (i.e sheep covered) table mountain by eight am, about to begin the hike.

The first six or seven miles went well but then the fog and RAIN came in as we neared the eight hundred meter mark... and then we got geographically

miss-placed (never lost!) as we wandered round in a RAINY, foggy bog for a bit.

Eventually we got to the mountain Lord Hereford's Knob (and learnt that Joe's a bad comedian) and found the first check point. Still walking in the RAIN we walked the final fifteen or so miles with RAIN soaked, blister covered feet dragging all the way and various checkpoints to refuel, stop and stiffen up at, until we finally reached the creepiest pub in Wales for a well-earned drink.

More sponsorship money would always be welcome!

Catalytic converters

Most vehicles made since 1992 are fitted with catalytic converters which often contain small amounts of precious metals, making them a target for metal thieves.

They are also valuable to scrap metal dealers who can easily sell them.

Thieves will often target vans and 4x4's that have a higher ground clearance, making the converters more easily accessible.

The chances of getting your converter stolen can be reduced if you follow one or more of these crime prevention tips

- ☒ Keep your vehicle in a garage when possible.
- ☒ Park in a well lit, busy area.
- ☒ Look out for people working under cars who are acting suspiciously.
- ☒ Fit a catalytic converter clamp or security cage.
- ☒ Security mark and register the metal shell of the converter so if it is stolen and recovered, it will be easier to trace it back to your vehicle.
- ☒ Weld the converter fixing brackets or bolts in place making removal more difficult.

200 Club Winner

Congratulations to Sheri Thorogood who is this month's winner of the £35 prize with number 78.

The 200 Club last year raised £570 towards Church funds and paid out prizes worth £570. However a number of people who have joined in the past have not yet renewed for this year.

Currently there is a monthly prize of £35 and 2 bonus prizes each year of £75, although this will have to be reduced if membership falls.

If anyone wants to renew, or join for the first time (a much higher chance of winning than the Lottery!) please contact Simon Read 833554 or Stan Burrage 832952.
