# SHOP TALK

Recently I visited a friend in Clifton Village, in Bristol. She complained that she had just driven all the way across the traffic choked city and back to try to buy Pomegranate Molasses in Easton, to no avail. "Oh, I wish I'd known" I exclaimed, "I could have picked you up a bottle from Horsley Shop as I left!"

Our village shop does have everything from inexpensive Happy Shopper basics, such as flour and paper tissues, right through to the hard to find obscure ingredients for exotic recipes, e.g. the Pomegranate Molasses. Look out for the regular special offers, coming soon to the shelves near you!

The Shop is a vital ingredient for village life, not just for buying our groceries, but also for

picking up tickets to local events, browsing the notice boards, meeting up with friends for a coffee, and just catching up with the current gossip.

There are always opportunities for new volunteers to keep the Shop thriving as a social hub and essential service. A few hours every week or fortnight staffing the till, or just an hour a week dropping off deliveries around the village or unpacking and shelving new stock, or perhaps helping behind the scenes on the Shop Committee, are all useful ways you can be a part of this Horsley success story.

Do call Jo Lawson, on 836662 to find out more.... Thank you!

A Grateful Customer...

**01453 836662**

**Horsleyshop@btconnect.com**

## **Barbara Mary Read: 30<sup>th</sup> June 1942 to 2<sup>nd</sup> December 2015**

**The Horse's Mouth is sad to report that Barbara died on 2<sup>nd</sup> December. Although she had experienced heart problems in 2013, her death was unexpected and very sudden.**

Barbara and Simon, who both were born in, and grew up in, Gloucestershire, moved to Downend from Berkshire in 2000. Barbara grew up in a farming family and felt completely at home here. She was actively involved in Riding for the Disabled for over 30 years, and volunteered here for the Minchinhampton Group at Barton End. She was involved in lots of village activities and ran the tea stall at Horsley Village Fete for many years, raising valuable funds for the village.

Barbara was Mother to two sons and Grandma to five delightful grandchildren, all of whom miss her hugely.

Simon would like to thank everyone who sent messages of sympathy and those who attended Barbara's Thanksgiving Service at Churcham church, for their invaluable support.

## Dying without a Will. Now that's a real tragedy.

My name is David Martin and I'm the local consultant for one of the UK's premier professional Home Visit Will Writers. I have 28 years' experience advising clients on personal financial matters and specialising in Wills. Writing a Will is easier and cheaper than you think and ensures that your wishes are carried out efficiently.

If you would like to redraft an existing Will, discuss your Will arrangements, Lasting Powers of Attorney or other associated legal services, at a mutually convenient time in the comfort and privacy of your own home, please contact me.

# Nupend Farm Housing Development

Edenstone Homes has been identified as the developer for Horsley's new housing at Nupend Farm. Edenstone is a private housebuilding company, based in Usk, Monmouthshire, and operating throughout South Wales and the South West of England. Edenstone specialises in design-led housing schemes in sought after locations and they have a track record of building quality houses. They have experience of developing in sensitive locations including AONBs, rural locations and conservation areas, and their website: [www.edenstonehomes.com](http://www.edenstonehomes.com) provides more background on the business. Current developments include 17 houses in Itchington, a rural hamlet near Thornbury, 6 houses in Trellech, a designated conservation area 5 miles from Monmouth, and 4 houses in a gated development near the coast in Swansea.

The Nupend Farm development will include a number of benefits for the local community, as agreed in the Planning permission, including the orchard, a number of contributions to local community groups and 5 affordable dwellings for local people (see below). Edenstone aims to commence the development in the summer of 2016.

We are committed to keep you informed as to our plans and progress and wish to start on site this year.

Stuart Rodden  
Director

---

## **Public Meeting Saturday 13 February 2016**

### **2pm to 3pm in Horsley Village Hall**

**Planning permission has been approved for housing at Nupend Farm. It includes five affordable houses for rent, designated for people with local connections.**

Horsley Parish Council has a first option to buy these 5 houses and so control the renting of them in perpetuity. This would be via a loan from the Public Works Loan Board (Government money) at 1.0% over base rate ( 1.0 + 0.5 % i.e. 1.5% fixed ) and paid for from the rent of the units.

We have already been told we can do this (like we did for the Pavilion). We have to set up a Community Land Trust (CLT) with stakeholders / trustees (like the shop), to set guidelines for a housing association who would work for us gathering rent and doing repairs etc.

Ian Crawley, who lives in Nailsworth and advises communities on setting up CLTs across the region, has agreed to talk to us at this meeting and help us through this important project.

As a local resident, if you would like to have a say in our social housing, come along for one hour and see what can be done.

Allan Caudwell,  
Chair Horsley Parish Council

# Horsley School Report

The run up to Christmas was a busy time at Horsley School with lots of events and activities. The year 5 & 6 children in Owls Class wrote invitations, planned menus, prepared food and served lunch to 28 retired Horsley villagers. Afterwards they entertained their guests singing carols and making music.

This year the infants' nativity performance was 'Ralph the Reindeer', a combination of joyful singing, groovy dance moves, quiet thoughtful moments and of course laughter. The junior children's festive performance took the form of a procession through the village re-enacting the nativity story. With Mary (Sienna) on a pony, led by Joseph (Charlie), the crowd followed accompanied by an accordion player and narrators retelling the story. In the playground, the Angel Gabriel appeared to the couple, then they moved on to the inn (aka The Hog). Joseph's knocks were greeted by the landlord who turned them away to search for a stable. Outside the village shop, the shepherds and angels appeared and then the procession moved on to St. Martin's Church where the three kings presented gifts to the baby Jesus. Carols and other musical performances accompanied the acting followed by a carol service with poems, a wonderful Joy to the World dance and children's own prayers. The Friends of Horsley School kindly provided mulled wine and mince pies.

The last day of term was a sad day as we said farewell to our head teacher, Lisa Brind. Lisa has been at Horsley for nearly nine years, as a class teacher and deputy head teacher and for the last two as head. She enjoyed a wonderful send-off with poems, cards and songs from the children along with a specially commissioned picture and cake! We wish Lisa all the best for the future and thank her for the dedication and commitment during her time at the school. In January we welcomed David Williams as interim head who will be holding the reins until a new head teacher is appointed.

# Friends of Horsley School News

Last year was a busy one for FHS, raising funds for a new play-ground at school to replace the much loved but worn out Logworld. By the time of publication the refurbishment should all be completed.

A huge thanks from all at FHS to all the support that the community gives to our events, we just couldn't do without it. We hope to have another year of fun events to which all are invited. We start with a joint fundraiser, for FHS and to help support the fantastic work being done by Refugee-aid Stroud.

We are hosting a Quiz and Chilli night at the Village Hall from 7.30 on Saturday 6th of February. Tickets are on sale now from the Village Shop. We hope you can make it along. Also a future date for your diary, the Easter Eggstravaganza on Sunday 20th March!

# Horsley Playgroup

We had a very enjoyable and fulfilling Autumn Term at playgroup. In the second half of term with Halloween, Fireworks and Diwali, we had much to celebrate. It also gave an ideal chance to involve the children in thinking about the danger of fire and how to keep themselves as safe as possible.

In November, our children and parents supported the BBC Children in Need appeal with a theme this year of "Champions of change". Children and staff alike dressed up as someone different across the week, which was great fun and we made a fantastic £68 for the appeal!

The term ended with a splendid Christmas celebration. To contrast all the wind and rain outside, a bit of 'bling' in the dark den was created - the children made a large collage by gluing on a vast array of shiny paper and glitzy things, making a special shiny place to play. The children wrapped presents in a Santa's workshop and also decorated our rustic tree by weaving coloured wool and strips of fabric through the willow branches. We celebrated the changing seasons by learning a special song and actions about the year of a very tall tree and performed this and a snow dance mime to parents, carers and families. The children wove coloured and sparkly threads round stiff card stars to decorate their trees at home and put their individual style on cards

to take home too. The children cooked very yummy mince pies on the last day of term for our party celebration, and had a 'special visitor' in red, who made very special deliveries!

At our pre-school session we run in the school, we had a visitor from 'Ofsted' instead! We did very well indeed, securing for a second time at this session an "outstanding" grading. The report can be read on-line but includes many fantastic comments like "*Management is visionary and drives continuous improvement..... The quality of teaching is extremely high..... Children's well-being is fostered impressively. Their behaviour is excellent..... Staff provide an inspirational range of*

*interesting and stimulating activities. This contributes to children being challenged and motivated to learn, and helps them to make excellent progress from their individual starting points".* With our village hall sessions, inspected in May 2015, also graded "outstanding", this result is truly heart warming. *Horsley Playgroup gives very, very special thanks to the inspirational management, to all the staff for their extremely hard work, to the wonderfully supportive parents and carers, to the school, but especially to the fantastic children!*

The playgroup will be completely full by the summer term and the following academic year is filling up fast, so if you have an interest in your child coming to Horsley Playgroup, please contact the number/email below, or simply drop in.

Our sessions are Mondays 9.30am-3.15pm (12.30pm – 3.15pm for pre-school year children only). Tuesdays 12.15-3.15pm and Wednesday 9.00am -12.00pm in the village hall, with the pre-school year session in the school reception classroom 12.00 -3.15pm.

# Horsley Village Agent

Unfortunately all of us may be faced with having to deal with the death of a loved one, which can be a very difficult time for dealing with practical, as well as the emotional stress.

We would like to tell you about a confidential service by Gloucestershire Registration Service together with the Department of work and Pensions, and your Local Authority, which we hope will make things easier for those of you who register a death.

The service means that when you register a death all other government departments and local authorities will be informed on your behalf. This reduces the time spent corresponding with a number of offices, and also reduces the need to send them copies of the death certificate. All you need to do is to make an appointment to register a death with one of the Registrars. To book an appointment you either telephone 01242 532455 or go on line to:

[www.gloucestershire.gov.uk/registration](http://www.gloucestershire.gov.uk/registration)

If asked the service can contact the following agencies for you:

- Department for Work and Pensions,
- HM Revenue and Customs
- Identity and Passport Service
- Local Authority
- Blue Badge Office
- Social Services
- DVLA
- Electoral Registration

The information you need to provide to the Registrar will be: National Insurance Number and date of birth of the deceased person, Details of any benefits or services they were receiving, Death Certificate, Driving Licence, Passport or passport number.

If you would like more information about this service or any other matters, please contact me. Sue Colquhoun on 07810 630145

## Welcome to Horsley!

**Over Christmas we welcomed some new members of the community:**

John Felix arrived on 5th December, weighing 8lb 11ozs, to Kim Hawksley and Ben Rigsby. A grandson for Nina Loveridge, John has already starred as the baby Jesus in the Horsley Crib Service.

Fiona and Andrew Buxton announced the arrival of baby Lacey Mila born on 18th December at Stroud Maternity and weighing 7lb 5oz. A first grandchild for Jackie and Dave Jarman of Nupend.

Kobi Mahaffy Brown was born on 21st December to Rachel Mahaffy and Graham Brown of Harley Wood. His very loving and helpful big sister Ezme, is in Reception at Horsley School.

These babies are already enjoying the Horsley Toddler Group in the Village Hall on Tuesday mornings, with their Mums/ Dads/ Grannies!

...and also some slightly older new residents: Tara Gretton & Glen Bown and their two daughters, from Herefordshire, are now living in the centre of the village at Belmont, opposite the Church gates, and Simon and Jenny Baddesley, with their children Isobel (7) and George (5), have moved in to 2 the Terrace, Nupend,

We look forward to getting to know all these new Horsley villagers as they settle into our community.

## Soup Sunday is back 7th Feb in the 3 in 1 from 1.00 - 2.30pm

Great Soup, great bread, great company. All profits to go to supporting the refugee crisis. Conversation from 2 - 2.30pm "How can we in Horsley most help?" Let's make an action plan.

All welcome.

Soup £5 donation would be great.

# St Martin's Church

## 3 in 1 Appeal

**Thank you for those of you who joined us at St Martins over the Christmas period and for taking part in our Crib, Carol, School and Church Services, all now well-established annual Village events. We wish you a Happy New Year**

**I have been involved with St Martin's now for over 25 years as Tower Captain, PCC Member and Church Warden, during which the Church has evolved from a typical run down country Church into a well used and valuable facility for the Horsley community.**

We have been able to join with our Education Authority in restoring the main body of the Church and providing facilities to secure the School in Horsley, as well as making available a venue suitable for community use. All this was made possible through a series of one off grants.

Church attendances, generally, are low and do not currently provide enough income to carry out full maintenance of the building, car park, paths etc; Our plan is to gradually improve our facilities. To be able to do this we need a modest but regular income from the community to help make this possible.

St Martin's receives no external funding, and relies on collections at Church services, private donations, the Village Fete, other fundraising and fees charged for the use of the 3 in 1 hall. We also get a contribution from the School for our shared energy costs.

About ten families in the village already make a regular contribution, ranging from £10-£50 per month, to support our community building; most people have chosen to give £20, but all contributions are welcome. I am asking you today if you would be able to join these generous people by giving an affordable monthly amount to help keep this valuable asset maintained and available for the future benefit of our community in Horsley.

I have prepared some easy-to-complete standing order/gift aid forms that will enable you, in confidence, to help. Please e-mail [stanburrage@talktalk.net](mailto:stanburrage@talktalk.net)

Sincerely Stan Burrage,  
Churchwarden

# SAINT MARTIN'S

## Vicar's Letter

Dear Friends,

In my last foray into the written word I made the statement that 'God is the same yesterday, today and forever'.

Yet, as I sit to write, the leaders of the Anglican Church throughout the world are meeting in Lambeth to discuss some major issues that seem to divide the churches.

When Archbishop Justin called this meeting he was quoted as saying that he was seeking a way, "for the church to proclaim the gospel of Jesus Christ, to make disciples and to worship and live in holiness, and recognising that the way in which proclamation happens and the pressures on us vary greatly between Provinces. We each live in a different context. The difference between our societies and cultures, as well as the speed of cultural change in much of the global north tempts us to divide as Christians."

But can there be difference and diversity in belief and practice and there still be an unchanging God? Can there be profound disagreement and yet still the commitment to work together?

The Archbishop also said this: "It would not be good if the Church is unable to set an example to the world of showing how we can love one another and disagree profoundly, because we are brought together by Jesus Christ, not by our own choice."

He continued: "Certainly I want reconciliation, but reconciliation doesn't always mean agreement - in fact, it very seldom does. It means finding ways to disagree well and that's what we've got to do this week."

And there's the point in all of this. The God of love is unchanging. What changes is the way we understand him as we grow deeper in faith. And the ability to 'rub along' in love even in the face of disagreement is something the world is crying out for right now.

Best wishes

*Mike*

## 200 Club

Congratulations to the lucky winners of the December 2015 and January 2016 draws who are Sheri Thorogood with number 45 and Charlie Ralph with number 83 respectively. They both win £37.00.

## Messy Church

Messy Church at Horsley is on Thursday 25<sup>th</sup> February at 3.15 pm (straight after school). It is 90 minutes of crafts, games, a time of celebration and food for all the family. It is free and anybody is welcome.

If you've never been before, come and try it out – you might like it! All we ask is that children are in the company of a responsible adult.

# CHURCH SERVICES IN FEBRUARY

Sun 7th	11.00am	Holy Communion
Sun 14th	11.00am	Family Service
Thurs 25th	3.15pm	Messy Church
Sun 28th	3.00pm	Evensong

You can also find details of what is taking place on the church website. Go to [www.thenailsworthbenefice.co.uk](http://www.thenailsworthbenefice.co.uk) and then click through to the Horsley pages or to the calendar

**Strictly  
Come  
Clearing...**

...having had the Tree Surgeons in for a whole week over Christmas we will be having regular Churchyard clearing days this Spring to really tidy up the Churchyard and list, map and generally look after the memorials, some of which are listed.

The two dates for February are 13th and 27th, from 10am - bring along any power tools and your secateurs etc, this will really put the roses back in your cheeks!

## Bell Ringing at St Martin's

Wednesday night Bell Ringing Practice at Horsley has recently welcomed new local learners Linda and Gordon who are making a real contribution to help get together an all-Horsley team.

We are, however, still short and would welcome new members at 7.30pm on any Wednesday evening. Bell ringing is a good activity for physical/mental co-ordination and fitness, suits all ages and is very sociable.

Just come along one evening, introduce yourself or your friends and see what this truly English activity is all about.

Stan Burrage  
Tower Captain 01453 832952

## Acoustics Project at the 3 in 1

When the original project to convert the church into a multi-purpose building was undertaken, one item was left off the final build programme because money would not allow it.

Over this February half-term, the ceiling of St Martin's will be fitted with Acoustic panels to decrease some of the resonance during its primary use by the school. These are in line with an original survey done. Once this is complete, there will then be a review of the requirements for a sound system etc.

Please forgive any disruption, but it will make the 3in1 an even better place!
